### Mission Statement

**“Jesus says, - Where people come together in my name, I am with them” Matthew 18:20**

As a Christian learning community, which promotes the values of family life, we support parents/carers as primary educators of their children and recognise the rights of the child.

Through a curriculum that encourages **creativity** at every opportunity, we challenge all within our community to strive for the highest standard of personal, social and intellectual development, and aim for excellence in all we do.

We recognise that we are all unique and aim to support each other along our personal journey of faith, treating others with **respect**.

During the day to day life of our school and in all aspects of the curriculum we promote Gospel values, paying special consideration to **loving** our neighbour wherever they may live in the world.

We recognise the **Spirituality** of every member of our community and provide opportunities for to experience reflection, prayer and worship.

**“My commandment is this - Love one another just as I love you” John 15:12**
